

HEALING POWER OF SANDTRAY PLAY THERAPY

Presented by Dr. Mary Rottier

Register at pawsforhealing.com Cost: \$350

August 17-18, 2023 from 8:30-4:00pm

DESCRIPTION

This workshop will help the participants understand the history of sandtray play therapy work and the materials needed to put it into practice. Participants will learn the play therapy skills needed to process sandtray with their clients. Case studies, experiential learning, and play therapy videos will aid in this process. The role of the play therapist in sandtray will be examined as well as specific populations this modality works well with. Specific play therapy theories, techniques, rationale, and history specific to sandtray play therapy will be discussed. This workshop will also focus on personal growth through opportunities to create your own sandtrays.

OBJECTIVES

1. Utilize sand and symbols to explore depth and meaning in sandtray play therapy.
2. Identify materials used in sandtray play therapy.
3. Develop skills for facilitating sandtray play therapy in clinical practice.
4. Identify specific populations to use sandtray play therapy with and verbalize treatment issues that will be addressed in utilizing these play therapy techniques.
5. Describe the role of the therapist in sandtray play therapy sessions.
